I will send this comment on to Jeff and Glenn.

Catherine, Are you going to be at the IGTT meetings in Anchorage on the 9th and 10th? Will you be presenting to the group?

Sheila:

Attached are materials for the upcoming meeting with the IGTT. I

suggest that we share via email with members of the BBA Technical Team, just to make sure we have general agreement.

The attached materials include:

--Draft Assessment Outline

--Draft Introduction to Conceptual Diagrams, including the summary conceptual diagram for the assessment

--Draft Conceptual Diagram for Mining Construction and Operation, water quality

--Draft Conceptual Diagram for Mining Construction and Operation, water quantity

--Draft Conceptual Diagram for accidents

We hope to have the conceptual diagrams for post mining operations by tomorrow, but I suggest not delaying distribution of these materials to our technical team.

Onward.

Jeff
